Didactic Lectures	
Lecture	Hepatocellular Carcinoma
Hemato-pathology (Peripheral Blood)	Primary and metastatic liver cancer
Clinical trials Phase 1,2,3 and 4	Non-hodgkin Lymphoma (Indolent)
Developmental Therapeutics	Anal SCC
Pharmacology I (cytotoxic chemotherapy)	Colorectal Cancer
Pharmacology II (Immunotherapy)	Rectal Cancer
Pharmacology III (Antiemetics, growth factor support and others)	GI malignancies (Genetic counselor)
Pharmacology IV (Targeted Therapy 1)	Non-Small Cell Lung Cancer (targeted therapy)
Pharmacology V (Targeted Therapy 2)	Non-Small Cell Lung Cancer (Chemo-immunotherapy)
Hemato-pathology (Bone Marrow)	Non-Small Cell Lung Cancer (local and locally advanced)
Surgical Pathology (Introduction)	Small Cell Lung Cancer
Acute Myloid Leukemia (AML)	Lung Cancer (pulmonary Prospective)
Acute Lymphoblastic Leukemia	Lung Cancer (Radiation Oncology)
Colon Cancer	Head and Neck Cancer I (local and locally advanced)
Non-hodgkin Lymphoma (aggressive)	Head and Neck Cancer II (metastatic)
Carcinoma of Unknown Primary	Head and Neck Cancer (Surgery)
Plasma Cell Disorders	Head and Neck Cancer (Radiation Oncology)
Myeloproliferative Neoplasms	Melanoma I
Breast Cancer I (Hormone positive)	Melanoma II (Surgical Oncology)
Breast Cancer II (HER2 positive)	Cancer prevention and screening
Breast Cancer III (Triple Negative)	Ovarian Cancer
Breast Cancer (surgical Oncology)	Endometrial Cancer
Breast Cancer (Radiation Oncology)	Cervical Cancer
Breast Cancer (Genetic counselor)	Gyn/Onc malignancies (genetic counselor)
Esophageal Cancer	Brain Tumor
Gastric Cancer	Non-Melanoma Cutanous Malignancies (SCC and Basal cell carcinoma)
Gastric/Esophageal Cancer	Hodgkin Lymohoma
Pancreatic Cancer	Renal Cell Carcinoma
Pancreatic Cancer	Bladder Cancer
Hepatocellular Carcinoma	Prostate Cancer
Neuroendocrine tumor	Testicular Cancer
Sarcoma	Symptoms Management in Oncology Patients
Clinical Trials (Assessment and response and toxicities)	Pain Management of Oncology Patients
Research I (introduction)	Hospice Care, and requirement and qualifiers
Research II (Biostatistics)
